Dear Ms. Vincent:

This letter acknowledges the receipt of your application on January 13, 2012 and of supplemental information on February 1, 2012, to transfer permit coverage under the General State Operating Permit for Concentrated Animal Feeding Operations (CAFOs), Permit Tracking Number SOPC00104, from Donna Crutchfield to Amanda Vincent. Your permit application is for the operation of six poultry barns, each with a capacity of 22,000 broilers.

Upon review of your permit application it appears that you have submitted all information necessary to transfer permit coverage. Upon receipt of confirmation that the property sale has closed, the division intends to transfer permit coverage to Amanda Vincent; the operation name will be listed as Starr Farm. Once the permit is transferred you will be required to operate this facility in accordance with the requirements of the General State Operating Permit for Concentrated Animal Feeding Operations (CAFOs), permit number SOPC000000.

Please note that you may be required to obtain permit coverage under the division's NPDES Storm Water Construction Permit if you do any construction that disturbs more than one acre of soil. More information regarding this permit is available online at <http://tn.gov/environment/permits/conststrm.shtml>, or you may contact the Jackson Environmental Field Office at the number listed below.
